Influenza: _____ Encephalitis: _____ Deworming: _____

Expected farm arrival date: _____

Is Mare to foal at our ranch? Yes No

Breeding to occur: At the Ranch Via Transported Cooled Semen

4Tress Farms, agent for the above named stallion, will herein be referred to as Breeder. This service is engaged subject to the following:

1. A booking fee of \$200 of the above fee is payable with this contract and the balance of \$ _____ plus all unpaid expenses will be payable upon receipt of an invoice or when the mare leaves the farm, whichever is first. The Breeder requires 48 hours advance notice when the Owner wishes to remove his mare(s) from the farm. Regular receiving and departure hours for visiting mares are 8 am to 5 pm. The Ranch is closed for lunch from 12-1pm. This will allow us sufficient time to prepare the required health papers and final statement so the Owner may settle his account. The booking fee is non-refundable. 18% interest per annum will be charged on all accounts in excess of thirty days.
2. A photostatic copy of registration papers (both sides), are required. It is recommended that mares be wormed within 60 days of entering the farm.
3. The Mare Owner shall agree that each mare offered for breeding shall be in sound breeding condition and free from infection or disease. The Mare Owner will provide the breeding farm with a written breeding history. Any mare certified by the attending veterinarian not to be, in his opinion, in sound breeding condition shall not be bred. Mare Owner may substitute another mare within that breeding season.
4. The Breeder agrees to diligently try and settle the above named mare and shall have sole discretion of determining the best method of breeding such mare. If, however, the mare does not settle, the Breeder shall be held harmless. There will be a \$200 rebreed chute fee in 2015 if mare fails to conceive in 2014.

5. Live Foal Guaranteed. Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal or if the foal is still-born, a season will be guaranteed the following year only, providing notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Rebreed privileges extended beyond the following year shall be subject to an additional fee.

6. The breeding season in force for this contract shall begin March 1st and close July 31st of the year covered by this contract. No new mares will be accepted for on site breedings after August 31st unless special arrangements are agreed upon by both parties.

7. It is further agreed that should the above named stallion die, or become unfit for service, or, if the above named mare dies, during the breeding season then the Owner may substitute another mare or breed the above named mare to another stallion on the farm that is agreed to by both the Mare Owner and Breeder.

8. A breeder's certificate will be issued to Mare Owner after all expenses have been paid in full and upon notification of the birth of the foal.

9. Waiver of Liability. It is understood that the breeding farm, its owners, stallion owners, employees, veterinarians, and guests shall not be liable for any injury, escape, disability, or death of any horse on its premises. The above named Mare Owner, whose horse(s) are under the care of 4Tress Farms will not be liable or responsible for any damage, injury or death to the breeding farm's stallions, employees, veterinarians, or other animals in the care of 4Tress Farms, whether or not caused by his horse.

10. When the above name Mare Owner signs and returns one copy of this contract to the Breeder, it will then be a binding contract on both parties, subject to the terms and conditions. This contract is not valid unless completed in full.

11. \$200 Rebreed chute fee in 2015 if mare fails to conceive in 2014.
